December 18, 2008

Since 2001, the Sudbury Day Festival has celebrated the world's cultures and customs. Next year Sudbury Day will focus on Sudbury, celebrating "*The Spirit of 01776*." The 7<sup>th</sup> annual festival will be held at a new time of year and a new location: **April 4, 2009 at Lincoln Sudbury Regional High School (LSRHS).**

Moving the festival to the spring gives exhibitors, sponsors and volunteers the quieter winter months to become more personally involved with Sudbury Day. The high school provides state-of-the-art facilities, opening the door to endless possibilities for activities and entertainment. Besides providing the flexibility of moving between the welcoming indoor space and outdoor patios, LSRHS also offers large areas for exhibits, on-site parking, a comfortable eating environment, and electricity to allow for more elaborate displays.

As a not-for-profit town event, organizers rely on grants and corporate support to allow us to book the best in entertainment, offer the most creative activities and create a truly festive atmosphere. Enclosed is a listing of our suggested sponsorship levels and the benefits of each. Please note that with our new location we are able to provide you with several conveniences to assist with your participation during the festival.

A member of the sponsorship committee will be contacting you soon to discuss your involvement in the 7<sup>th</sup> *Annual Sudbury Day Festival: The Spirit of 01776*. Until then, please feel free to contact us with any questions, ideas and suggestions.

Sudbury is a town rich in history, diversity and talent. Please join us as we enter this era of change: honoring our past, celebrating the present and looking forward to the future.

Best Wishes for the New Year,
